

Record your vote. Record.

CLERK: 20 ayes, 1 nay. 27 ayes, Mr. President, on the motion.

PRESIDENT: The Call is raised. Senator Murphy has a point of order to raise.

SENATOR MURPHY: A question of the Speaker, if I may. Senator Luedtke, are we advancing an "A" bill we don't have or am I one of the lucky fellows who just doesn't happen to have one in his book.

SPEAKER LUEDTKE: It is here. It has been filed.

SENATOR MURPHY: Now, wait a minute. Am I voting on a bill I don't have in my book?

SPEAKER LUEDTKE: This is possible. We have done this with "A" bills before.

PRESIDENT: The answer is yes.

SENATOR MURPHY: Senator Murphy changing his vote from aye to nay.

SPEAKER LUEDTKE: We told you what it was. It has been ready.

PRESIDENT: The bill is advanced. Report the vote.

CLERK: 27 ayes.

PRESIDENT: All right, and the Call is raised. LB 388.

CLERK: LB 388. Read title. There are committee amendments by Senator Rasmussen's Government Committee.

PRESIDENT: Senator Maxey.

SENATOR MAXEY: Mr. President and fellow Senators, LB 388 is intended to correct legislative oversight. It says, in effect, that the Wyuka Cemetery shall have the same powers to maintain and improve the quality of the cemetery that it has to maintain and improve the qualities of the property abutting the cemetery and we have an Attorney General's report in the Journal on page 836. I believe we have amendments to that, too.

PRESIDENT: All right. Senator Stoney, do you want to take up the amendments.

SENATOR STONEY: Yes, Mr. President, if you refer to page 4 on line 6 after "improvements", ~~we~~ redelineating by indicating that this is on cemetery grounds. That is the only amendment we have and I would move for adoption, please.

PRESIDENT: We are on the amendments. Senator Chambers, do you want to speak to the amendments or the bill? To the bill or to the amendment. So you do not want to speak to this amendment. Senator Frank Lewis, do you want to speak to this amendment or to the bill. I mean, Senator
